Process Flow: *Navigating Resources*

Does your department collect the data you need to address your guiding questions or objectives?

YES

NO

Use your **program data**.

Contact your Data Coordinator (contact CHHS@osi.ca.gov for list) to learn more about what data assets are housed in your department

Does another CHHS Department collect the data you need?
(See list of CHHS Data Coordinators to inquire about data stored across different departments)

YES

NO

Is this data publicly available?

YES

NO

*Try **Brainstorming**: How could you leverage existing data collection methods to get the data you need? Are there any external entities that could help?*

Use the **CHHS Open Data Portal** (and see **Part 3: External Data**)

See **Part 2: Data in Other Departments**
